MORE INFO

WHAT WILL WE ANALYZE IN THE **SEO AUDIT?**

01

Organic Traffic

We will assess the volume and quality of traffic your website receives from search engines.

02

Domain Authority

We will evaluate your website's relevance and credibility on the internet.

03

Keywords

We will examine the keywords your site is ranking for, including their relevance and search volume.

BOOST WITH YOUR METRICS

BOOST YOUR SKILLS

04

Competitors

We will analyze your main competitors from an SEO perspective.

05

Backlinks

We will assess the quality and quantity of inbound links to your website.

06

Technical SEO

We will check the technical aspects of your website, such as loading speed, site structure, and meta tag usage.
